Dear Sir:

The Notice of Recordation dated May 11, 2004 contains an error in the title of the invention. The Notice lists the title as "System and Method Managing Mobile Communications" whereas the correct title should be -- System and Method For Managing Mobile Communications --. The original Assignment document indicates the correct title. A copy of the first page of the Notice dated May 11, 2004, with the correction marked in red is attached.

Applicants request a corrected Notice of Recordation reflecting the correct title of the invention. A new Recordation Form Cover Sheet designating this as a resubmission is attached, along with copies of the Notice of Recordation dated May 11, 2004 and accompanying papers.

Respectfully submitted,
